Nails are standard on fabric/leather combination and leather styles. Nail placements are as follows:

- V1 around base and arm panel
- V2 around base
- V3 around base and arm panel
- V4 around base and wooden panel arm
- V5 around base
- V6 around base
- V7 around base
- V8 around base and centered on the raised arm panel top edge

SEAT CUSHIONS

Standard with Custom Down seat cushions. A premium cushion constructed with a high-resiliency foam core, laminated with plush, super soft foam caps that offer maximum crown to the cushion. The 100% cotton jacket is channeled and filled with a thick blend containing a mix of 90% waterfowl feathers 10% down and with polyester fiber.

All East King St & Co cushion options are available at no additional charge: Feather-Lux, Relaxed Down, Spring Down, Majestic, Eco-Lux.

BACK PILLOWS

Standard back pillows are filled with a blend down mix of 90% waterfowl feathers and 10% down and polyester fiber.
